The European Union in International Affairs V

Call for Papers and Panels: 7 September - 19 October 2015

Dear Scholars,

We would like to invite you to join us once again at the European Union in International Affairs Conference! Given your participation/interest in last year's conference, we wanted to notify you first.

Paper abstracts and/or panel proposals should relate to one (or more) of the following conference sections:

-
- **Foreign and security policy**
 - **Environment and sustainable development**
 - **(Im)migration and diversity**
 - **Economic governance**

The EUIA conference provides a multidisciplinary forum for discussion and exchange of ideas amongst scholars engaged in understanding the role of the EU in the world. This broad theme

encompasses the dynamic interplay between the EU, its member states and external partners.

The EUJA conference is open to all relevant disciplines and sub-disciplines. Through policy link panels, among others, it fosters exchange between the scientific and the policy-making communities.

The fifth edition will take place from 11 – 13 May at the Royal Flemish Academy of Belgium for Science and the Arts in Brussels.

Please, do not hesitate to share this email or other details about our conference with your colleagues and friends!
